- Saturday April 28, 2012 Meet & Greet at the Guardrail Clubhouse from 7 PM to 9 PM with a track introduction tour on the 'Bacardi Bus'.
- Sunday April 29, 2012 Track Day from 8 AM to noon and 1PM to 5 PM, lunch is included and will be served in the Guardrail Clubhouse from noon to 1PM
- Track time is run in 20 minute sessions with a maximum of 6 cars on the track at a time.
- A road course driving school is available for anyone interested for an additional \$10.00 and well worth the time...

Ground School 101 is a track orientation that is an informal, friendly, open way to get you acquainted with the Motorsport Park Hastings and introduce you to the world of road course driving. The session will begin in a classroom setting and take about an hour. During this time, you will learn terminology, the start, cornering, passing, pit in, pit out, and the overall facility. Once the classroom session is over, it's time to hit the track. With an instructor in the vehicle with you, you will start off with a lead and follow to learn the line of the course. After a couple of 20 minute sessions with an instructor in the vehicle with you, if you and the instructor feel comfortable and safe, you will have the remaining time of the school to drive on your own.

- Driver participation fee is only \$ 90.00 each (\$100.00 w/ the school) for this event, with a deposit of \$ 50.00 due before January 01, 2012. The fee includes lunch on Sunday, but not beverages on Saturday evening.
